43 local artists completed a series of sports murals at Ravina Gardens Park!

Join Ward 13 Councillor Sarah Doucette, StART, Toronto Police Services 11 Division and 43 participating artists in the celebration of the new murals at Ravina Gardens! The project aims to beautify the park, celebrate Toronto's diversity and reduce graffiti vandalism. Each mural has a theme of sports and the installation also features a First Nations 90-ft long mural titled Creators Game!

StART is a program of Transportation Services' Public Realm section. It is an innovative, public-private partnership designed to develop, support, promote and increase awareness of street art and its ability to beautify the city's visual landscape.
