January 10 to 20, 2020

- When?** January 10 to 20, 2020
- Who?** HPAS and ASPS students, their parents, and one very generous donor!
- Why?** To encourage our students to be stronger and more enthusiastic readers, and,  
To support our Library Learning Commons Fundraiser.
- What?** With the help and encouragement of their parents, HPAS and ASPS students read as many books as they can from January 10 to 20. Our generous donor has pledged to donate for each book our students read, so the higher the total books read the higher the donation to our Library Learning Commons!
- Where?** At home and at school.
- How?** HPAS and ASPS students track their books read on the tracking sheet (see over)  
*Please submit tracking sheets to your teacher on: Monday Jan 13, Thursday Jan 16, and Monday Jan 20 so we can track how many books we've read.*
