

# Annette St. PS + High Park PS Safe Dropoff

Road safety is a serious problem at our school.  
To ensure the safety of all our children, the following flow  
of traffic must be followed:

**1** Slow Down

**2** Do not double park on Jennings or park in the back area of the community centre parking lot

**3** Use the parking lot to turn around. Never, ever, make a 3 point or U-turn on Jennings
